NORTHBOUND 215 WILL HAVE FULL CLOSURES

RIVERSIDE – The California Department of Transportation (Caltrans) will conduct nighttime closures on the northbound I-215. The closure will be from just west of the 60/91/215 Interchange to Down Street, a city street located under the freeway.

DATES	LOCATION	TIME
Tuesday & Wednesday 3/27 & 3/28	NB 215	9:00 p.m. – 5:00 a.m.

During the closures crews will prepare the southeast connector for concrete. For obvious safety reasons, for both motorists and crews, a full closure is required. Motorists traveling through the area will use the prescribed signed detours. Caltrans asks motorists to allow extra travel time as delays are expected.

Detour for Northbound 215: Motorist traveling from UC Riverside northbound, will be detoured onto the northbound 215 toward San Bernardino, to Columbia Avenue, exit at Columbia Avenue, right back over the freeway, back to the southbound 215 and back onto the westbound 60.

Caltrans wants to thank RCTC and CHP for their support with deploying Freeway Service Patrol (FSP) tow trucks in various construction areas to remove disabled vehicles from the 60/91/215 work zone, reducing the congestion for everyone.

Caltrans would like to thank motorists for their continued patience and support during the 60/91/215 improvement project. Caltrans asks that motorists please be aware of the construction area and always make a point to ***SLOW FOR THE CONE ZONE***.
